VOGUE is LIVE!

Una piattaforma video con tutto il meglio dal mondo della moda, e solo il meglio.

From 8 to 11 May 2014 at [Fiera di Vicenza](#), **Origin Passion & Beliefs**, the first fair workshop dedicated to fashion accessories, kicks off. The format, conceived by Fiera di Vicenza in collaboration with [Not Just A Label](#) (NJAL), aims at becoming a **meeting point between Made in Italy know-how and the creativity of the best independent designers at the international level.**

**100 NJAL designers from 38 countries** will showcase in this first edition their creativity creating accessories belonging four different categories: Leather, Stone, Technology and Textile. Italian expertise will be represented by independent brands - artisans and workshops, highly skilled suppliers and the main companies from the production chain with a strong manufacturing vocation and tradition. Also attending, leading fashion schools.

Besides, thank to a new collaboration between Fiera di Vicenza and [Mittelmoda](#), **the contest's 2014 edition will offer, in addition to those already at stake, four new awards in association with Origin Passion & Beliefs.**
